

CENTERLINE™ SERVICE REQUEST

SERVICE SUPPORT

BEFORE A SERVICE CALL

Please check the following:

- ✓ Is the electrical cord plugged in?
- ✓ Is the fuse OK or circuit breaker on?
- ✓ Is the condenser coil clean?
- ✓ Is the power switch on?

If after checking the above items the unit is still not operating properly, please contact an authorized Traulsen service representative by phone or e-mail at:

☎ (800) 825-8220 ✉ service@traulsen.com

PLACING A SERVICE CALL

Please make sure you have the following information available:

- ✓ Model Number
- ✓ Serial Number
- ✓ Contact Name at Unit's Location
- ✓ Contact Location and Phone Number

WARRANTY INFORMATION

To view warranty information for your Centerline™ unit, simply scan the QR code pictured on the left with your smart phone or visit:

www.CenterlineFoodEquipment.com/Register.

WARRANTY COVERAGE

To know if a unit is still under the 3-year parts & labor warranty and/or 5-year compressor warranty, take a look at the last three digits of the serial number (if manufactured before April 2021), or the first three digits (if manufactured April 2021 or after). The letter indicates the month the unit was manufactured (A=Jan., B=Feb., C=Mar., etc.) and the two numerical digits indicate the year (20=2020, 21=2021, 22=2022, etc.).

3-YEAR PARTS & LABOR WARRANTY
